RE: Yearbooks and Senior Ads

Congratulations on being a senior at Oak Hills High School! The unforgettable experiences that you will have over the course of the year can be treasured forever by purchasing a yearbook. Our full color books capture the excitement and emotion that you will look back on with pride. Buy yours before prices go up and before we sell out.

Make your senior year even more memorable by purchasing a senior ad. Each individual ad can celebrate your accomplishments and goals as you include your favorite pictures and personal messages from your family. These ads are placed in a specific part of the book and prices vary depending on the size of the ad.

Size of Ad	Max. # of Pictures	Price
Full page	20	\$250
Half page	10	\$150
Quarter page	5	\$75

### Senior Ad Guidelines

- All text and pictures are due at time of payment. Additional items may not be included.
- For best results, submit original photographs or CD/flash drive of images. Digital pictures printed on printer or photo paper will not be accepted. Any cut pictures, symbols, logos, and trademarks will not be used.
- To design your own senior ad, follow the directions as given on "Designing Your Senior Ad" on the back of this letter. If you do not follow those directions, the quality may be compromised due to sizing and resolution of pictures.
- If you want us to design your ad, we would be more than happy to.
- The Oak Hills High School Yearbook class reserves the right to modify all ads.
- Checks are payable to Oak Hills High School
- Ads will only be approved/modified in person within a certain time period.
- Ads will be returned to students after the book has been distributed in May 2017.

**All ads will be sold on Tuesday, September 20, 2016 at 5:30pm**

**Space is limited. Those who arrive with pictures, text and payment first will receive available pages.**

The back of this page will inform you about how to design your own senior ad if you wish to do so. For more information or answers to your questions, please call us at (760) 244-2283 x4585.

## Designing Your Senior Ad

We will design all senior ads; however, if you wish to design your own, follow these steps.

**1. Number the back of all your pictures** either in pen or using post-it notes for easy reference in your sketch of your ad in Step 3. If you are submitting your pictures electronically (on CD or flash drive) file names may be used instead of numbers. **Remember to stay within the limit of pictures for your designated ad size. Cut-out pictures will not be used.**

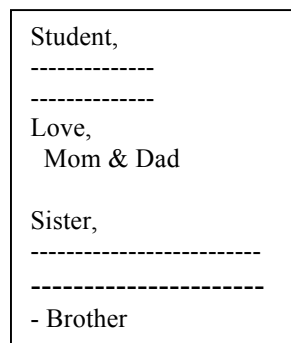

*Example:*

*Backs of pictures*

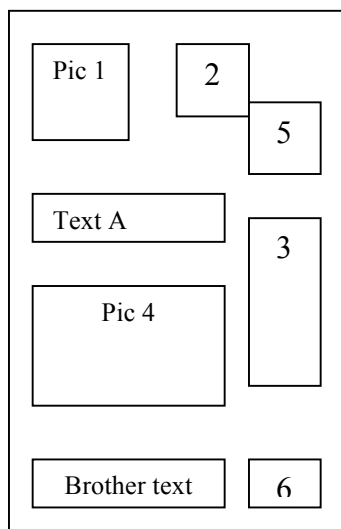

**2. Label text by author** (name of writer) for easy reference in your sketch of your ad in Step 3.

*Example by author:*

**3. Draw a rough sketch of your senior ad as shown in the example below.**

*Example:*

**4. Submit payment, pictures, and text on Tuesday, September 20, 2016**

**5. Come in to approve your senior ad after we call to let you know we have finished.**

**NOTE:** If you design your own ad without using these directions, the quality may be compromised due to sizing and resolution of pictures.
